

Whom this concern,

It is my privilege to write this letter of recommendation for Declan Brown. I have known Declan for the last 3 years being Declan's coach and educator Declan is a Junior in high school. I have had the opportunity to see him grow and mature into a person I whole heartedly would recommend.

Declan strives to be his best every day whether that is in classroom, on the athletic field, or in the weight room. Declan dedication is above and beyond by always being the first one to show up and the last one to leave. I always try to have my students emulate Declan's strong worth ethic because it is such a contagious habit. Declan continues to pour his time into his community. Working within the community on services projects and helping serve his Parrish on Sunday's.

I believe Declan would be an excellent asset to any team and school. I believe with his hard work, dedication, leadership, and his willingness to learn are great qualities. I am confident that he will continue to grow as a person and as a student and will leave a lasting impact on O'Dea High School. If you have any further questions, I would be more than happy to discuss them with you at any time. Thank you for your time.

Sincerely,

Paxton Paynter
